Mrs. Hammond,

231 Robinson Avenue,

Orlando.

Dear Mrs. Hammond:

I shall not be able to have any information sent to you with regard to your son's examinations until the first week in June when the results are out.

If he is intending to enter Osgoode Hall for the study of law he should communicate with Dr. N. W. Hoyles, who is Principal of the Law School. Dr. Hoyles is a very fine man, has had connection with Ridley College, and will be able to give you all information.

Yours sincerely,

President.
